LEE HARVEY OSWALD
IS - R - CUBA

ReBuairtel, 5/21/64, and CGairtel, 5/26/64.

Late yesterday afternoon I contacted Managing Editor LUKE CARROLL in his office at "Chicago's American." He advised me that he had contacted columnist MAGGIE DALY and requested her to furnish him the source of her information in her article appearing 5/13/64, and also requested that she furnish him the name of the woman alleged by DALY's source to have stated that she "feels" that LEE OSWALD was CASTRO's deputized murderer.

Mr. CARROLL advised me that MAGGIE DALY refused to furnish either the source of her information or the identity of the woman mentioned in instant article. He stated that she finally agreed that she would advise him as to the identity of the source and the woman provided he gave her his word that he would not reveal their identity to anyone else. CARROLL stated he refused to accept the information under those circumstances and therefore she refused to furnish him the desired information.

Mr. CARROLL was obviously embarrassed about this and advised me that in the future no further items such as this would be permitted in her column unless she first advised him of the source of her information.
