Deposes and says:-

Yesterday, November 22, 1963, I was standing on the terrace of the small park on Elm Street to watch the President's motorcade. The President's car had just come up in front of me when I heard a shot and saw the President slump down in the car and heard Mrs. Kennedy say, "Oh, no", then a second shot and then I hit the ground as I realized these were shots. Then all of the people started running up the terrace away from the President's car and I got up and started running also, not realizing what had happened. In just a few moments the President's car sped off and everybody was just running around towards the railroad tracks and I knew that they had somebody trapped up there. I imagine I stayed there 15 or 20 minutes and then went over on Houston Street to where I had my truck parked. I had just pulled away from the curb and was headed toward the Houston street viaduct when an automobile that had 3 men in it pulled away from the curb in a burst of speed, passing me on the right side, which was very dangerous at that point, then got in front of me, and it seemed then as an afterthought, slowed in a big hurry in front of me as though realizing they would be conspicuous in speeding. These three men were of slender build and seemed to be very excited in talking and motioning to each other. They went across the Houston Street Viaduct and I turned off at Marsalis Street exit and they continued on going towards Zangs Blvd. They were in a 1961 or 1962 Chevrolet sedan, maroon in color. I ~~don't~~ don't believe I could identify these men, but I do believe I could identify the automobile if I saw it again.
