Re: Inventory of FBI Ticklers
Location Hal's basement Drawer nos. # 62-64

1. A second folder on Balletti flap. This is another folder of some size and belongs with folder in other drawer.
Did not copy.

2. Folder on FBI docs. on Percy Foreman. Some of the docs. deal with the Ray case or MURKIN.
Did not copy

Re: Inventory of FBI Ticklers released to Mark Allen, disclosed
12/13/'84

1. Hall's 4/5 page notes on the "Secret" multipage tickler.
Apparantly this was the batch this turned up in.

Most of the docs. in this deal w/ Hosty flap. But docs. dated in 1977. I have copies of these in other folders. Hal's 4/5 page memo pertains mostly to these docs.

2. Several news stories copied
