Dear Harold:

It is always nice to hear from you and I agree with you concerning the Oliver Stone movie. Although I hate to do so, I would rather not ask the City for copies of what you ask because according to the paper, it was four or five boxes of miscellaneous stuff which has been gone through by hundreds of people.

I think the only information they found was the people arrested on the box car and were released. It was in the paper, which I am sure you read, but it really wasn't anything to note.

Good luck to you. I heard from someone else that your health was not too good. I hope it has improved.

Your Friend,

Henry Wade
