Mr. J. Edgar Hoover
Director, Federal Bureau
of Investigation
Washington, D. C. 20535

Dear Mr. Director:

Under separate cover I am forwarding an agreement between the Federal Bureau of Investigation and the Secret Service which merely affirms the cooperative spirit with which both of us have approached the difficult task of protecting the President.

While others have felt that our liaison heretofore was "too casual", it is still my opinion that a close working relationship between our Service and the Federal Bureau of Investigation in the field of Presidential protection has always existed.

I have prepared two originals of the agreement for your signature and request that one original be returned to me for our files.

Sincerely,

James J. Rowley
