Memorandum from Malley to Rosen 1/21/64 advised that J. Lee Rankin, President's Commission, was interested in having representatives of the Commission come to the Bureau to look over items of evidence as well as material obtained from the residence of Oswald in Dallas, Texas, and items obtained from the residence of Mrs. Ruth Faine in Irving, Texas, where Mrs. Oswald resided and Oswald spent his weekends.

Mr. Rankin has been advised that the material is available for representatives of the Commission to look over at any time they are ready to do so. It was suggested to Mr. Rankin that whenever his representatives are ready to come to the Bureau, if he would telephonically advise me, appropriate arrangements would be made for this examination by the Commission representatives.
