CHAIRMAN OF THE BOARD

R. W. MCFALL
PRESIDENT

CHECK

TIME FILED

George Christian:

Here is the rough draft copy of the story we discussed this morning. It will be changed in a minor way, but for the most part, will be just this.

The story will break late Sunday via the wire services. Naturally, the strength and seriousness of it will evoke considerable reaction. I thought the President might be interested in this advance version.

I am not offering this for comment of any kind, nor a check of the validity of any part. Simply, its FYI...

Naturally I would expect this to go no further.

My interest in informing governmental officials of each step along the way is because of my intimate knowledge of what Jim Garrison is planning. The subpoena of two F.B.I. agents Saturday (today) is another step in his plan to make it seem that the F.B.I. and C.I.A. are involved in the JFK "plot." He is hell-bent on involving several high officials, is considering embarrassing others. In his devious scheme he can--and probably will--do untold damage to this nation's image throughout the world.

I am well aware that Garrison wants the government to defy him in some manner or to step in to pressue a halt to his "probe," but, of course, this should not happen...for that is exactly what Garrison wants.

I intend to make a complete report of my knowledge available to the F.B.I., as I have done in the past.

Regards,

Hugh Aynesworth
