FILE: OSWALD IMPOSTERS

NOTE; ALLEN (Damage control tickler) see p. 365, p. 9 where it notes possible FBI withholding of "Oswald imposter" memos for 1960-1961*****

Check with BOT pp. 366-67 on Oswald as possible FBI informant. See p. 367 where Sheriff Dallas chief Sweat says that Oswald was an FBI informant and that his no. was "S172." Check this against Clay doc. that matches this construction for an FBI informant (a paid informant). . . .
