

AGENT OSWALD FILE

1. 11/25 SA Patterson info. on what he learned from Marina at Dallas office. Marina says she told FBI 10 days before assassination that Lee worked at TSBD. P also engaged w/ Hosty who told him that LHO had contacted two known subversives. . . . Use this w/ Hoover's early concerns
2. 11/23 SAC, Dallas to Director re: photos sent to FBI from CIA not Oswald
3. 12/6 FBI (New Haven) report on two persons who thought they met Lee and Marina in Moscow on or about 5/28/63 at Leeningradsky Hotel in Moscow. They were sure it was Lee and Marina. However their description of man is not exactly Lee. Were Oswalds in Moscow right before they left for USA? When did they leave for USA?????
4. 12/8 De Brueys Report. . . Based on what FBI had in NO file prior to assassination. Page 2 stuff on Oswald's Mexico travel. . . FBI nothing on how he got into Mexico and how he left (at this point).
5. 12/9 Hoover wants to know if FBI ever tried to recruit LHO as informant. . . .
6. 1/3 Rosen to Belmont re: Marina's distrust of FBI, believing it had been responsible for Oswald losing his jobs. . . Implies FBI was pressing Oswald to do informant work
7. 8/9/'63 SA Callender to SAC, NO Notes the 8/9 confrontation of Oswald with Bringuier, etc. . . BNote that FBI had a file on Bringuier and one for FPCC
8. 1975 interview w/ Joe Pearce, Dallas Office. This was part of the '75 investigation into the "Hosty Note" business. Pearce mentions Fenner and her comment that note threatened a bomb. He also notes that he thought Oswald was a Hosty source and that his entering FBI Dallas was what informants did on occasion
9. 2/7/64 Lt. Matrrello interview w/ Quigley re: about Oswald arrest on 8/9 Why did Quigley pretend that when he came to visit Oswald in the jail that he did not know Oswald. Why did he question Martello on 2/7. Was it to see if Oswald had confided stuff that was sensitive?????
10. 11/23/1963 FBI< WFO, to Director on LHO's Marine Corps files Notes his court martials . . . and other general material. But nothing reported on his Crypto clearance or his assignments and access to highly classified military radar secrets. . . ##### Used w/ New MS.
