

Chapter 16 Did the FBI Know that Oswald "Was Capable of Committing the Assassination"?

11/27/'63 Use here: Hosty and his assertions that the FBI was aware of Oswald. . . That he was a Communist and capable of violence. . . I took no notes from this chapter but it has merit.

Blow hard Hosty was a source for putting Oswald in it. . . He was a veritable flap factory. . . He blurted to Revill and Detective V.J. Brian that Oswald was capable of violence. . . that he was a Communist, etc. . . . Chapter should be reviewed.
