

Notes from WC Sessions

Section A

1. P.1 Notes how Ford ghosted "Portrait of an Assassin" & commercialized on his WC role w/ Life Magazine piece. . . His use of the 27th transcript is developed in WW IV. . .
2. Note too from Gentry book. . . his maiden speech in Congress he asked for a pay raise for Hoover. . . preparing the ground for being Hoover's source with the WC inner circle. . . (I may have this in BOT). . . P. 1
3. P. 4 He refers to Allen tickler where it shows that FBI prepared dossiers on WC staff AFTER the Report was out. The Bureau already had dossiers on the staff (see docs of this in FBI 'Counterattack' on the Commission . .
4. April 30/1964 The WC discuss the Walker Case. . . .

5. Dec. 16, 1963 During this session that Warren characterized the FBI Report (CD 1) as "skeletal". . . .CD 1 description of the President's wounds are not covered. . . The entire shooting sequence in CD 1 is 60 plus words, etc. . . .All of JFK's wounds are not mentioned and nothing said about Connally's. . . .
It was after this session that Warren characterized CD1 as skeletal . . . I have this in BOT. . . .Hoover was furious. . . McCloy thought Jackie Kennedy when she testified would help with the president's wounds. . . .They all discussion the deficiencies in CD-1. . . .The report that Katz called "sensational" I have note that Hoover furious that FBI integrity comes under attackThis initiates secret FBI "warfare" against Commission . . . when does FBI start with dossiers on the assistant counsels and the staff???
