

## Transfer Sheets

RG 65 Box 116, Folder 180A. Copy to Marina files

No. 2 p. 2 Rankin to Hoover note: only two shops in Dallas carried 6.5 M/C ammo. . . .no evidence that Oswald ever shopped there. . . I assume I files this under Marina. . . .Because she was the one who puts the rifle in Lee's hands. . no hard evidence. .

No. 3 Copy filed with Early Evidence. . . .

Nos. 4 & 5 docs (Minox camera caper) copies filed with Minox Camera file

Nos. 6 I filed this doc. under Early Evidence. . . .

No. 8 has been removed and refilled: Rosen to DeLoach 10/7/'1966 to "Blaming the Kennedys" Hoover that the FBI manufactured argument in 1963 that it did not ask for a copy of the official autopsy report because the Kennedys did not want the info to be made public, etc. . . .and FBI honored their request, etc. . . Hoover notes that the Kennedys never asked the Bureau to suppress reporting on the autopsy. . . .and if they did the FBI would "have disregarded it."

Second # 8 Rosen to Belmont 12/24/'63 See Hoover note: Re; news story about JFK being hit from the front of the throat. . .Director dismisses Rankin's concern here as waste of time to "run down every newspaper story". . . It will never complete its work, which from Hoover's perspective was to adopt the conclusions of CD1 and publish it report. . . A copy of This doc. refilled with Chapter on "FBI Counterattack" . .

No. 9 Refiled with chpt. "FBI Counterattack on WC" . . .

No. 10 ditto

No. 13 This doc. was transferred to chpt "FBI Counterattack on WC"

No. 14 Copy sent to "FBI Counterattack on WC"

No. 16 one copy went to Early Evidence and a second refilled FBI Counterattack on WC...

Transfer sheets, p. 2

No. 19 Diagram of Day lift of O's palm print from K1. . . .This should be married w/ those sections of a chapter on evidence that I wrote but did not include in BOT MS. . . . I need to locate. . .

Nos 20 & 21 ? where to locate

No. 22 A copy sent to Walker file w/ \*\*\*\* as key doc.

No. 23 refiled as "JFK's Collar"/key document. . .

Transfer sheets, p. 2

No. 19 Diagram of Day lift of O's palm print from K1. . . .This should be married w/ those sections of a chapter on evidence that I wrote but did not include in BOT MS. . . . I need to locate. . .

Nos 20

21. A copy of this key doc. sent to folder in Box 2 unpub chapter on Day and his alleged lift of the Oswald palm print.

No. 22 A copy sent to Walker file w/ \*\*\*\* as key doc.

No. 23 refiled as "JFK's Collar"/key document. . .

No. 24 One copy of file went to unpub chapter in Box 2 on Day and his spurious lift of the (dead) Oswald palm print. . . .Especially see the chronology of the circulation of the alleged murder weapon (k1). Note that after Latona failed to lift any prints it was sent back to Dallas (and Day) by the 11/23, the next day, while Oswald was still alive (although Day could have lifted it from Oswald's corpse. . .It was not returned to FBI lab in WDC until 11/27 . . . .\*\*\*\*\* Key. A second copy of 24 was filed with Early Evidence. . . .

Has to be k/24

25. Keep in file

26. Frazier's for FBI's 'eyes only' rejection of the WC's reenactment of the shooting. . . .Copy sent to JFK's Collar file.

27 & 28. Copies are placed with chpt. Of Day and Prints in folder # 6, Box 2. \*\*\*\*\* key documents. . .
