1. sac, Dallas 12/22/1963 105-82555-1107
FBI had 2 agents outside the operating room hoping for a death confession from Oswald
2. Brennan to Sullivan 12/5/1963 62-109060-2304 (section 42)
Report that went to Burkley about the procedures in ER work on JFK.

Could be used for writing but nothing essential.

News stories re: Drs (Clark) ~~under~~ indicate that they (or he) believed that bullet entered neck from the front and lodged in JFK's lung - See how this changes when Drs. are shown the ~~Autopsy~~ Autopsy by me SS.

Note - NY Times ~~the~~ 11/27 story by Herberts that Clark still holds to frontal ~~the~~ neck wound and into JFK's being even after Haves spoke to Perry on 11/24 Saturday.
