- 1.
2. 67Miriam Ottenberg for Washington Evening Star. . . both on 12/6/'63  
Considine is 62-109060-A-Not Recorded and Ottenberg same cite . . . .Point  
here is that these stories appeared one day after the WC received their  
copies of CD-1. . .One point driven home in both accounts was that Oswald  
acted alone. . . (single lone nut). . .
3. New York Times 12/7/'63 Report will say that Oswald acted alone . . . no  
link between Oswald and Ruby. . . See clearly the orchestration by FBI  
(either Hoover or DeLoach as the initiators). . .
4. Seattle Post-Intelligencer 11/27/'63 62-109060-A-NR story by Les  
H. Whitten. . . Oswald was sole assassin and was not connected to any  
communist group, etc. . . single lone nut thesis is peddled. . . This on  
11/27/'63 . .
5. Only 2 days after Oswald's own assassination . . . Dudman good on JFK's  
neck and Parkland drs id-ing it as a wound of entry. . . refutes the leaks re:  
FBI report that all shots came from the rear. . . He notes too accounts of a  
hole in the windshield of the presidential limo . . . St. Louis Post-Dispatch  
columnist. . . a sharp cookie . .
6. 11/26/'63 St. Louis Post-Dispatch (James Deakin). . . notes that "reliable  
sources" have insisted that Oswald was the shooter and he acted alone. .  
.single lone nut . . Suggested here that the FBI Report might be out "as early  
as Friday 11/29<sup>th</sup>. . .
7. 12/4/'63 NY Times by Ben A. Franklin . . . Notes here that Shanklin warned  
about the threats made against Oswald at 2:15 and then again at 8:15 A.M.  
that went to Curry. . .
8. Newsweek Report 12/23/'63 Joseph A. Loftus in NY Times 12/10/'63 . .  
the Govt. position: Oswald acted alone; no conspiracy. . . single lone nut. .

9. St. Louis Post Dispatch, 12/6/'63 quotes Warren in paper that after yesterday's meeting of the Commission . . . had not received CD 1 . . . Warren finished with "The information we have now is little more than what we have learned through the news media." \*\*\* Note this was before LEAKING OF NEWS ON CD-1 , P.2

Warren received CD-1 and characterized it as "skeletal." This was what he was supposed to have the WC sign off on. . . \*\*\*\*\* Key

10. NY Times 12/3/'63 Refreshing honesty. . . Notes that the FBI report will be "repetition of accounts that have already appeared in the press." LHO acted alone. Jack Ruby acted alone in killing Oswald. . .
