"Witnesses: E. J. ROBERTSON, Special Agent, FBI, Dallas, Texas, 3/18/64
THOMAS T. TRETTIS, Jr., Special Agent, FBI, Dallas, Texas, 3/18/64"

Mrs. R. E. ARNOLD, Secretary, Texas School Book Depository, used she was in her office on the second floor of the building November 22, 1963, and left that office between 12:00 and 12:15 to go downstairs and stand in front of the building to view Presidential Motorcade. As she was standing in front of the building, she stated she thought she caught a fleeting glimpse of HARVEY OSWALD standing in the hallway between the front door and the double doors leading to the warehouse, located on the first floor. She could not be sure that this was OSWALD, but said she thought it was and believed the time to be a few minutes before 12:15 PM.

She stated thereafter she viewed the Presidential Motorcade and heard the shots that were fired at the President; however, she could furnish no information of value as to the individual firing the shots or any other information concerning OSWALD, whom she stated she did not know and had merely seen him working in the building.

74. This and the following FBI reports of interviews with Mrs. R.E. (Carolyn) Arnold must be read carefully and together. On November 26 she told me she had seen Oswald on the first floor, before the assassination, at the FBI states she was not certain about, between 12:00 and 12:15. This required that she be a witness. She was not. Bear in mind that this is a report but the FBI's representation of what she said. She was re-interviewed March 18, when she signed a statement that she wrote or was written for by the interviewing FBI agents. That is the next document.

See p. 75. When re-interviewed almost four months later, Mr. Arnold was not asked if she saw Oswald as she left the building. She was asked if she saw him at the moment of the assassination. In this statement, which she signed, she says she left the building at 12:25. If she saw Oswald then, this alone proves his innocence. The failure of the FBI to get this clear and straight and of the Commission to call her and learn the truth is consistent only with a frameup of the dead accused Oswald.
