There is being submitted herewith for examination by the FBI Laboratory the following items which were obtained from Captain WILL FRITZ of the Dallas Police Department, Dallas, Texas, on the authority of Chief of Police JESSE E. CURRY, NA, Dallas Police Department:

1. Live round rifle shell 6.5 millimeter, which was found in rifle, SN C 2766, which was believed to be the gun used in the above assassination.
2. Spent hulls of 6.5 millimeter shell believed to have been fired in rifle, SN C 2766, believed to have been the gun used in the above-captioned matter.
3. One blanket found at the scene where the rifle was located, which may have been the blanket used as a cover for carrying this rifle.
4. One shirt taken from suspect LEE HARVEY OSWALD.
5. Brown paper which was found at what was believed to be the point of firing of the fatal bullets used in the assassination. This paper possibly may have been used to carry above rifle to the scene of the building from which it was fired.
