Date February 25, 1964

ALBERTO ARZAMENDI CHAPA, Mexican Immigration
Inspector, Nuevo Laredo, Mexico, was interviewed on
Fibruary 22, 1964, in the presence of Assistant Chief of
Mexican Immigration ARNOLDO TIJERINA. CHAPA stated
that he has been interviewed on several occasions by
Mexican officials and from the Mexican Immigration
records showing that he, CHAPA, cancelled the tourist
permit of LEE HARVEY OSWALD on October 3, 1963, he
knows that he, CHAPA, was on duty at that time and
cancelled OSWALD's tourist permit, but that he
personally recalls nothing concerning the cancellation
of OSWALD's tourist permit.

CHAPA viewed a photograph of LEE HARVEY OSWALD and stated that he did not recognize the photograph as being that of anyone he had seen previously. CHAPA did not recall who else was on duty with him on October 3, 1963, but stated that he, CHAPA, was "Jefe de Turno" (translation, in charge of the shift) and was the person who actually stamped OSWALD's tourist permit.

CHAPA stated that it was his duty to collect the tourist permits of persons departing Mexico and to stamp them cancelled and take them to the Mexican Immigration headquarters located in Mexico at the International Bridge. The clerical employees, according to CHAPA, in the Immigration headquarters, then record the cancellations on the ledger books. CHAPA denied it was his duty to record the mode of transportation being used by the tourist. He stated, however, that if he were to record the mode of transportation being used by the tourist, he would write "auto," for automobile and "autobus" for bus.

On October 3, 1963, CHAPA was stationed at Kilometer 26 (Mexican Immigration check point), Nuevo Laredo-Monterrey, N. L., Highway.
