Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
U. S. Department of Justice
Washington, D. C.

Dear Mr. Hoover:

During the past ten months, I have served as Assistant Counsel to the President's Commission on the Assassination of President Kennedy. During this time, I had the opportunity to work closely with many persons in your Bureau and I am writing this letter to express my personal appreciation for the cooperation which they provided. In addition, I wish to express my very high regard for the caliber of the work performed by these men and by your entire Bureau in connection with the work of the President's Commission. My experience with the Bureau left me with a strong impression of the technical competence, objectivity, and scrupulous integrity of the personnel of your Bureau.

In particular, I would like to call to your attention the names of Inspector James Malley, Inspector Leo Gauthier, and Special Agents Lyndal Shaneyfelt, Courtlandt Cunningham, Robert Frazier, Sebastian Latona, James Cadigan, and John Gallagher. Finally, the men in the Exhibits Section under Inspector Gauthier deserve special commendation for the tremendous effort which they expended during the last few weeks of the Commission's work in order to supply the Commission with visual aids for use in our Report.

I have returned to my teaching assignment with a renewed respect for the work of your organization.

Sincerely,

Norman Redlich
