

FBI'S TRUE DNA EXPOSED: P. 3

CHECK W/ "BREACH OF TRUST" AT APPENDIX A (IN EITHER HARDBACK OR THE 2013 PAPERBACK EDITION).

WHAT YOU HAVE IS A FBI TICKLER FILE THAT WAS MISTAKENLY INCLUDED IN A FOIA REQUEST FROM A WDC LAWYER NAMED MARK ALLEN.

IT WAS IRON CLAD FBI POLICY THAT TICKLER FILES WERE FOR INTERNAL USE; NOT TO BE RELEASED OUTSIDE THE BUREAU.

ON P. 363 OF HB THERE IS A SHORT CHRONOLOGY INDICATING THAT ON 11/24 THE FBI SET OUT TO CONVICT OSWALD AS LONE ASSASSIN. BASED SOLELY ON THE FACT THAT HE WAS NOW DEAD AND THERE WOULD BE NO TRIAL AND NO EXAMINATION OF THE EVIDENCE.

ON 11/23 HOOVER IN A PHONE CONVERSATION WITH LBJ HAD TO REPORT TO THE PRESIDENT THAT THE CASE AGAINST OSWALD WAS "NOT VEDRY, VERY STRONG." [IN SHORT NO CASE AT ALL BECAUSE THE PARAFFIN TESTS CARRIED OUT BY THE DALLAS POLICE LAB INDICATED THAT OSWALD'S FACE PROVED NEGATIVE FOR A PARAFFIN POSITIVE---IN SHORT, HE DID NOT FIRE A RIFLE.

P. 363 ALSO NOTES THAT JACK RUBY WAS AN FBI PROVISIONAL INFORMANT IN 1959. . .

TURN TO PAGE 364 YOU GET A CANDID INSIDER FBI EVALUATION OF THE FBI'S OVERALL PERFORMANCE IN CONDUCTING THE INVESTIGATION INTO THE KENNEDY ASSASSIANTION.

JUST CHECK ALEX ROSEN'S CHARACTERIZATION OF THE FBI 'S HANDLING OF THE CASE----"STANDING WITH POCKETS OPEN WAITING FOR EVIDENCE TO DROP IN."

THEN SCAN FROM POINT 3 TO THE END OF PAGE 365 FOR INSIGHT INTO THE FBI'S "WAR" AGAINST THE WARREN COMMISSION W/ ADMISSION OF CREATING DOSSIERS OF THE WARREN COMMISSION STAFF.

P. 4

HOOVER'S LEAKING OF THE FBI REPORT BEFORE IT WAS TURNED OVER TO THE WARREN COMMISSION. Preparation of SEX DOSSIERS OF COMMISSION STAFFERS.
