Mr. J. Edgar Hoover said as follows:

There is nothing further on the Oswald case except that he is dead. Last night we received a call in our Dallas office from a man talking in a calm voice and saying he was a member of a committee organized to kill Oswald.

We at once notified the Chief of Police and he assured us Oswald would be given sufficient protection. This morning we called the Chief of Police again warning of the possibility of some effort against Oswald and he again assured us adequate protection would be given. However, this was not done.

They brought him out of the City Jail and were taking him to the County Jail when a man stepped out and shot him in the stomach. This man was arrested at once. He goes under the name of Jack Leon Ruby but his real name is Rubenstein. He runs two night clubs in Dallas and has the reputation of being a homosexual. Immediately after the shooting, he (Oswald) was moved to Parkland Hospital and died about 45 minutes ago. We had an agent at the hospital in the hope that he might make some kind of a confession before he died but he did not do so.

Confession*

Ruby says no one was associated with him and denies having made the telephone call to our Dallas office last night. He says he bought the gun about three years ago and that he gussed his grief over the killing of the President made him insane. That was a pretty smart move on his part because it might lay the foundation for a plea of insanity later.
