

Folder # 3

Sole Suspect (Oswald)

1. SAC, Dallas to Director 3/25/'64 62-109060-2720 EBF It lists 71 names of people employed at the TSBD and present on 11/22/'63 Was Oswald the only one who left without reporting to the police? Unlikely. . .But check
2. A good piece on Brennan and his ridiculous claims as chief witness placing Oswald on the 6th floor. .I will need to check with Dave's book on this. . .
3. Oswald's wounds. . .Dallas Morning News 11/25. I may want to have a separate file on this after I get sites from Clay's Ruby file. . .
4. News story on Oswald's capture. Makes him sound guilty of being a COP KILLER.
5. NY Times story on Tibbet's killing. . .Depicted as a police hero. (All part of motive in the minds of the gullible and ordinary folk.
6. Some connections w/ theme of LHO as sole suspect+
7. G. Fonzi My Paranoia and Me" Read carefully; good stuff.
8. Revill's list of cops on duty in basement or proximity when Oswald was assassinated. . .must have been 61 or more. . .
9. Hal's note on Rowley's total release of SS from investigating the assassination. Go back and locate his 12/9/'63 instructions to SACs. . . turns over the case to the FBI . . .and note prior concept of Oswald's guilt. . .Fits pattern of sole suspect to a tee. . .
10. Mark Bridger's "The Myth of the Depository Roll Call." A brilliant exposure of the Oswald the one missing employee from the TSBD*****
11. Dallas Police Record time at 1:40 P.M. with note" This man shot and killed JFK and Police Officer J.D. Tippit and wounded Governor John Connally." How does this time sequence play against Bridger's work on Truly's time frame????
12. WC (Rankin) 12/30 attachment to memo to Rankin. . . .See II. Oswald as Assassin of the President. . . .This was before the WC heard its first witness. When did Marina first testify. . .she was the WC's first witness. . . Oswald was sole suspect.
13. Director the The Attorney General (ust have gone to Katz not Kennedy) 11/25/'63 (62-109060-7 (Sect. 1) Enclosed results of our inquiry into the

Sole Suspect (p> 2)

Assassination of Pres JFK and background info relative to LHO The day after Oswald's own assassination the case was effectively closed. . .

14. Sample of Fritz's notes re: an interrogation session w/ Oswald. . . .I need to check Clay's lead that SS took electronic copy of Oswald interrogation . .

15. Point here: Day of Mourning brought Warren to the Rotunda on 11/25. Check NY Times for Warren's words. . . .This was day after Oswald's death. . . .Did Warren make any comment reflecting that Oswald was JFK's assassin. ***** Could be useful . . .

16. Jevons to Conrad 11/27/'63Jevons goes on about NAA testing (sophisticated new approach). . . .but then that ". . . in view of the massive evidence already available indicating Oswald's guilt" It was not necessary to use this system

17. WC staff to Rankin 3/20/'64 Staff asks Rankin if the Commission has any direct testimony or information who were guarding him from his comments. . . all we know of Oswald is largely from official statements by Dallas police spokesmenmost of which are summaries. . . This leads to the issue: what happened to any tapes of interrogations with Oswald. This may show up with Clay's leads here. . .

18. Treefrog. . . .says that Kennedy case is still an open cold case in the Dallas police Department. . . . regarded as never having been solved. . . Connect with report that there are still JFK assassination files that have never been released to the public with the Dallas DA's office. . .

19. Belmont to Tolson 11/24/'63 105-82555-95 (This is also cited in Main Chron File)This was written the evening of the day of Oswald's own murder. . . . Belmont pretends that FBI has evidence to place Oswald in the frame. . Oswald an avowed Marxist, a former defector to Sov. Union, and active member of FPCC. . . .Castro front. . . etc. In short the FBI had nothing.

20. Brennen's alleged statement re: on seeing Oswald at the window on 11/22. . . .Can't be right. Brennen is alleged to have said he could id the man if he ever saw him again. I need to check with Dave's Zapruder book to show that B only could id Oswald in a line after he saw him on TV. . .
