

Oswald as Only Suspect

Folder # ~~6~~ 7

1. Account of the 2 detectives who were assigned to LHO while he was in the Dallas jail. They noted his calmness despite the charges against him. He was in control of himself except on only 2 occasions: When he said he was "a patsy" and when he confronted Hosty. . . .
2. DiEugenio on Bugsie , etc. In this he touches on the policy of conviction no matter what the evidence that informed Wade's office. (I have more on this).
3. Mae Brussell "Oswald's Last Words" . . . Good for chronology of LHO's last days under arrest. His repeated complaints about the line ups. . . See more with Griggs. Some confusion about his Dallas mail and whether A.j. Hidell was listed as having access to his mail along with Marina. Worth a close review.
4. See interesting dates and aspects of LHO's life in and out of the Marines. See he was tested in Russian language while in Marines. . . 2/25/1959
5. CIA doc charging that Oswald was a homosexual . . . .
6. Batch of CIA docs dealing with Oswald in Mexico City. . . . a good portion deals with Sylvia Duran (and her description of "Oswald" does not match Oswald's hair or body type. . . . was this the Oswald imposter who was at the Cuban Consulate????
7. Max Holland notes at 12:45 P.M. (Standard time) Dean Rusk learned while on flight to Tokyo learned from SAM (UPI Teletype machine on their aircraft a bulleting from Dallas (UPI) "three shots were fired at President Kennedy's Motorcade in downtown Dallas. Filed copy with "Early Evidence."
8. P.D. Scott piece with a couple of pages (1 & 2 ) about how quick LHO's vital stats were on the police ban radio. Scott cites that these came from Oswald's FBI and CIA files. . . .Not from Howard Brennen's description. \*\*\*\*\* This is the key point that I will use.
9. My notes from Hal's ms on Posner. . . .Raises questions about Oswald's movements after the shooting. . . .I have this in BOT. Hal has some good stuff on the ridiculous Brennen.
