FROM: JACK LEON RUBY, aka;
LEE HARVEY OSWALD - VICTIM
CR

Inspector CLEM MCGOWAN telephonically advised at 9:50 a.m., 12/2/63 that the Bureau arrived at the figure of 150 newsmen being in the basement from Page 12 of Dallas letterhead memorandum dated 11/24/63. Also, they arrived at this figure in Dallas report of 11/30/63, Page 41, interview by SA DRAIN on 11/25/63 with Capt. TALEBERT. Mr. MCGOWAN further advised that there is a difference in the number of newsmen present as set out in Page 66 and Page 136 of this report. *clarify.*

With reference to the report submitted dated 11/30/63, Mr. MCGOWAN advised that Page 330, interview with [redacted] reflected that she asked that her identity be concealed; however, it is set out in a 302 in the report. Mr. MCGOWAN stated that she should be contacted to determine if she has any objection to her identity being made known to the Department of Justice and the U. S. Attorney. In the event she does, this information will have to be submitted in letterhead memorandum form. *7C*

Mr. MCGOWAN advised that Page 5 of this report indicates two agents (BARRITT and LEE) observed the shooting on closed circuit television, stating that FRITZ emerged first followed by Officer SWAIN; however, interviews with these two officers revealed SWAIN was not even in the picture as he was in front of FRITZ. This matter should be clarified and the Bureau advised. *408*

Mr. MCGOWAN further stated that there are numerous interviews with officers of the PD wherein there is no indication that they were asked if they had any information as to how RUBY gained access. In addition, there is no indication that these officers were asked if they had any connection with RUBY or if they knew of any conspiracy. He stated these officers should be recontacted and these points clarified inasmuch as the interviews appear to be too short. *all info*
