

RELEASED PER P.L. 102-526 (JFK ACT)
 NARA 107 DATE 6-17-11

9/11/64

Mr. Mel Stuart of Wolpert Productions is pressing for your confirmation on the script. He said that all you would have to read is the portion concerning Oswald and it shouldn't take over 15 or 20 min. As he told me before, if he doesn't have your answer by tomorrow noon, he will have to let it go as it is; that is his deadline. He said he would call me tomorrow a.m. about 11:30 and find out what you have to say about it, or he will call you in N.Y. if you are there. He asked me to please have either you or someone on your staff give this consideration.
