

Master List to Oswald as Sole Suspect

Supplement

1. Belmont to Tolson 11/22/'63 62-109060-284. . .He notes in conversation w/Shanklin that Shanklin commented that most of the SS agents left with AF-1 and AF-2 and that the "Secret Service does not appear to be doing much. . . ." No time attached to this memo. . .But Belmont gives ordersto Shanklin to undertake an investigation into the evidence. . .It seems clear that the FBI was in the process of taking over the investigation . . Was this before AF-1 landed at Andrews AF base???
2. Spear on Given's account (after he was 'reached" by Revill/cops) to change his story about Oswald on 6th floor. . .(Check Givens w/Meagher) . . .
3. Hersh no. 412 cites Oswald as FBI asset. . .(I did not cite a Hoover note on an BI doc. "Was Oswald ever an FBI informant?"
4. Hal on Decker and the transfer of Oswald to the City Jail. . . (source Hal's files on Decker). . .But he cites sources: Exhibit 5321 on p.452 of Vol.XIX. Decker said first knew of transfer from a member of the press. . . .Notes that both he and the DPD :knew that Oswald was a 'hot potato." Then why not transfer him from the Dallas CityJail to the County Jail in the wee hours of 11/24 and not near high noon???? There was the warning of 100 vigilantes who threatened to take Oswald and hang him/. / p. 19 Decker recounts the calls to his office threatening the life of Oswald. . . . and a 2nd call w/ threat. . .that same early morning of 11/24 . .
5. Key Doc. *** Director to SAC, Dallas and SAC, Houston 11/23/'63 62-109060o-515 notes that Paul Ebersole of AEC called to alert FBI to take Oswald's shirt he was arrested in and have it submitted to NAA to determine if he fired a rifle. . .Fritz reportedly refused the offer stating that "the case s wrapped up without this evidence."
6. Earl Golz piece in Dallas Morning News 11/27/'78 revolves around Bronson filmthe dismissal by FBI over the assassination weekend and *** adds

Carolyn Arnold on the 2nd floor lunchroom as she left the building at 12:25 p.m.
