At approximately 2:30 a.m., this date, an unknown caller furnished the following information:

"I represent a committee that is neither right nor left wing, and tonight, tomorrow morning, or tomorrow night we are going to kill the man that killed the President. There will be no excitement and we will kill him. We wanted to be sure and tell the FBI, Police Department, and Sheriff's Office, and we will be there and we will kill him."

The caller seemed very calm while talking and seemed to possibly be reading a statement. Caller had a mature sounding voice and there was more than one voice on the phone. First caller asked for man in charge, then turned over phone to second man who made the above statement.

Re GLOSSUP's memo.

Deputy C. C. McCOY, Dallas SO, man in charge, advised at 3 a.m., 11/24/63, of above information. Stated he had received same call, same statement from unknown caller just a few minutes earlier. Only difference in statement was, "I represent a committee of around 100 people who have voted to kill the man who killed the President".

McCOY said Sheriff DECKER was advised of this information and security precautions are being made.

McCOY said the unknown caller told him they were advising the SO because they did not want any of the SO men hurt, but they were going to kill the man anyway.

McCOY said he will advise if any other threats are received.

Captain W. B. FRAZIER, man in charge of Dallas PD, at 3:20 a.m., was advised of the above information. He said PD has not received any calls of this type to his knowledge, but will check other Bureau heads in PD and advise. Said he will give this information to Chief CURRY. Indicated that plans to transfer OSWALD to County Jail may be changed in view of this threat and will keep FBI advised.

McCOY said plans had been made to transfer OSWALD to County Jail from PD at 10 a.m., 11/24/63, and this information had been made public through news releases.

FRAZIER also advised that OSWALD's planned transfer had been publicized and stated the time of transfer, etc., may be changed.

FROM: SAC, J. GORDON SHANKLIN

I, SAC, SHANKLIN, telephonically contacted COP CURRY at 8:15 a.m., 11/24/63, and furnished him the above information again. He advised that he had this information and that he was taking all precautions. He had changed his schedule for the moving of OSWALD. He had two armored cars and, of course, OSWALD would ride in one and the other car would be used for diversion purposes.

SA BARRETT telephonically advised that he had received information from [redacted] who must REMAIN ANONYMOUS, that RUBY is a close personal friend of Sgt. JOHN HILL of the PD, and that he was in the cordon around OSWALD and had let RUBY in to the PD. He advised that RUBY gave HILL drinks at his establishment and that RUBY has been in the PD for the last two or three days passing out free drink cards. b7D
