to her in Russia. She likes Ken, when she saw Ken's  
name in headlines she has been read the story  
in Russia.

One thing Russell did doubt was that she  
would have kept him in bathroom, that he would  
break door down. They didn't doubt he stayed there  
before came to town (that it LBJ). But it was a  
apt house & if he has idea of killing LBJ  
he wouldn't wait to start counting by break  
down door.

He came back to tell her about <sup>shoot at</sup> Walter. Miss  
him by inches. She told him if he did anything  
like that again she'd report him.

He was sore at his weekly appointment  
because she had taken an apartment under another  
name. She called up & located him. He came home  
Thursday, she repulses him that night. He got up  
next AM, took his gun & went to town. ~~Constitution~~  
took place at noon.

I think ~~part of notes~~ <sup>was</sup> it might not  
have happened. Had he not been sore at  
Marina.

if Ken had come by  $\frac{1}{2}$  hr earlier, or  $\frac{1}{2}$  hr  
later it wouldn't have happened. Book Reporting  
would have been <sup>also with</sup> full of people. He had pulled  
cortains across window so he couldn't be seen by  
any stray pass-by.

Ford & other ones... put future protection Pres, C  
in hands of FBI. This was... have created a parafr  
police force.

Ford objected to certain FBI foreperson  
fact: to report Oswald's presence in Dallas area, <sup>presence in Dallas area</sup> SS. They reported  
only 2 names & people with names far worse than

Oswald's: <sup>what about</sup> DP Theories that Oswald was double agent, working  
with FBI?

That's his mother's contention. We went into that  
theory. Hoover came up with all his records of agents.  
Convinced us in time.

He was sore at <sup>blazes</sup> over our report & got off  
tires before woman's Press group (Sasha Melman)  
Lacks all during <sup>low</sup> investigation the day for FBI.

Lot of opponents to including certain of SS. Believe  
it came from <sup>no</sup> clog (Joe Ball??) But some of  
these <sup>SS</sup> men has been night clubbing until 3 or 3:30  
then had to report at 7 AM. You can't tell me that  
a man who has been drinking this late is  
alert next morning. Rules are that he must  
rest in time if <sup>never</sup> found alcohol. Some  
has been at <sup>correlated</sup> party <sup>(?)</sup> & then went into  
Press club.

This may have accounts for fact that  
no SS men protected Press body on way to hospital.  
Only Jackie was with the body.

men. Had meeting 1 mo before another. Subpoena came  
be tempted to <sup>complain</sup> but said he could reveal source. Not lawyer,  
journalist source - not newsman, but would reveal it.

wish you check your source & let us know, "OK"

Didn't want make martyr of him, tho had power of  
watergate. It is true of writer report at hand, he had  
reported, he was leading in info. Subpoena him back.  
Suspect he goes here his fair price here. Again he  
said his source would be revealed. So they wrote  
the report that way, letting public judge whether to believe  
truth.

Fox wants to show plot by Castro or Comrats.
