Dear Harold,

I am enclosing the NY Post article containing the Stephens quote & the Times article with the Haines CIA statement. Also enclosed are other local articles I thought you might be interested in.

My new address is:

99-24 65th Road
Forest Hills, New York
11374

I don't know whether you're aware of it or not, but you get a free ploy in the ~~Movie~~ movie "Greetings." It's an underground movie which takes pot shots at Vietnam, the draft, pornography pushers, computer dating and the Warren Report. One of the characters is a report "buff" who spends all of his time attempting to solve the case. At one point he's checking trajectories on his nude girlfriend's body. He decides that he has proved the trajectories prove the one bullet theory & one assassin theory false and then holds up "Whitewash and explains dramatically "Wisberg."

(over)

The ~~same~~ reason I did not send you the
Barry Gray tape (Haines & Huey) is that it
was preempted by the funeral services, & it
was never rescheduled.

Please excuse my handwriting but I'm
writing this letter on a moving bus and
it's hard to keep my hand steady.

Hope to hear from you soon

Sincerely,

Jerry Soleroff

P.S. Long's "Greetings" the "buff" ~~is~~ in the
end becomes another "Kenny Curre" victim as he
is shot while waiting to for a man who has identified
himself as Carlene Roberts' son.

P.S. If my handwriting is a little clearer now
it's because I'm no longer on the bus, but in my
calculus class. If it's not it's because I have
busy penmanship to begin with.
