Additional Details, Progress of Investigation, Etc.

Detectives Van Cleave & McElroy arrived at 4011 Turtle Creek shortly after the incident was reported. The compl. stated that he was sitting at his desk in the den doing his income tax return when the incident occurred. Officers observed that a bullet of unknown caliber, steel jacket, had been shot through the window, piercing the frame of the window and going into the wall above comp's head. The bullet lodged in some paper in the next room. Comp. stated that when he heard the noise, he thought it was some sort of fireworks. Upon observing the evidence Comp. ran upstairs to his bedroom to get a pistol. He said that he has no idea of who could have committed this offense. The spent bullet was given to Det. B.G. Brown of the CSBS at the scene. We searched the grounds at the rear of the house and also the alley, with negative results. We also interviewed Robert Surrey W/M/35 of 3506 Lindo Wood LA 6-7741 who was at the scene upon our arrival. This subject is a business associate and aide to the complainant. Mr. Surrey stated that last Saturday, April 6th about 9:00 PM he drove up the alley behind the comp's house and noticed two W/M/-NOD sitting in a 1963 Ford dark purple or brown, parked at rear of the complainant's house. Mr. Surrey also stated that he observed these 2 men get out of the car and walk around the comp's house. The comp. did not seem to be disturbed about the incident. Mr. Surrey it was obvious that there were no license plates on the 1963 Ford. Patrol squad 26, Sgt. Hansen and 508 were also at the scene.

SUPPLEMENTARY OFFENSE REPORT

CITY OF DALLAS

NAME OF COMPLAINANT (FIRM NAME) - FIRST NAME INITIAL Walker, General Edwin A.	OFFENSE AS REPORTED AND DATE Burg. by firearms 4/10/63	THIS DATE 4/11/63	OFFENSE SERIAL NO. F-48156
--	--	----------------------	-------------------------------

ADDITIONAL DETAILS, PROGRESS OF INVESTIGATION, ETC.

Contacted the complainant on this date, Through interviews with the employees, who are all voluntary workers at this location. General Walker stays in the house at night alone. Investigation reveals that an unknown assailant in all likelihood fired the shot from the alley directly north of the rear part of the house. Investigating officers found a very small chipped edge of the top portion of the rear fence. This small chipped portion indicated that something had been laid on this board very recently, as this was a fresh chip. In lining up the path of the bullet, it would indicate that the shot was fired from just below the chipped portion of the fence. The bullet struck the window frame near the center locking device. From the point where the bullet hit the window frame to the point where it struck the wall is a downward trajectory. The back yard is an up-grade to the alley. The fence in the rear of the house at the alley is a lattice type fence made out of wood approximately 1x6, with approximately 8" open spots. It is the investigating officers opinion that the shot was fired from just below the top edge of the fence. The Walker home is adjoined by a parking lot of a church to the east. The alley runs into the rear part of the parking lot. The alley then takes up in a northerly direction into Newman street. The witness, Kirk Coleman, lives at the north east corner of the Walker property just across the alley and directly across north from the church parking lot. This person has not been contacted by us as he is a school boy, but will be contacted at a later time as he could furnish valuable information from which he observed the incident. An interview with the volunteer workers revealed that they had not received no crank calls or letters preceeding the incident. An interview with Mr. Surrey reveals that two white men in a 1963 Ford, dark purple or dark brown parked in the alley directly behind the complainant's house just off of Avonale street. These persons were witnessed getting out of the car and walking up to the property line and smoking the place over. Mr. Surrey became suspicious of these subjects and followed the car away from the location in an attempt to get a license number. Mr. Surrey states that there was no license plate on this car either front or rear, possibly this was a new car. A thorough search of the premises revealed no spent cartridges, no tracks or other evidence of value. The neighbors dog to the west of the Walker property is a fanatical barker but on this incidence did not make a sound. Gen. Walker recently accepted the position of Military Editor for a monthly magazine the American Mercury and has traveled extensively since. It is assumed the suspects had a minimum of knowledge concerning the complainant's activities. From where the complainant was and from where the shot was fired from the distance is approximately thirty five to forty yards with a clear view as there are no window shades.

LAST NAME OF COMPLAINANT (FIRM NAME)—FIRST NAME INITIAL Walker, Edward A.	OFFENSE AS REPORTED AND DATE Assault to Murder 4/10/63	THIS DATE 4/11/63	OFFENSE SERIAL NO. F-48156

ADDITIONAL DETAILS, PROGRESS OF INVESTIGATION, ETC.

This officer contacted Kirk Coleman W/M/14 of 4338 Newton. He stated that he was in the back room and heard a noise. He thought it was a blowout. The boy who was with him, Ronald Andries W/M/19 also of 4338 Newton said it was a gun shot. Kirk stated that he then ran out back and climbed the back fence and saw a man getting into a 1949 or 1950 Ford, Lt. Green or Lt. blue and take off. This was on the parking lot of the Church next to General Walker's home. Also on further down the parking lot was another car, unknown make or model and a man was in it. He had the dome light on and Kirk could see him bend over the front seat as if he was putting something in the back floorboard. The only description Kirk could give on this car was the fact that it was black with a white stripe. The other boy, Ronald, did not climb the fence so he did not see this. The only description the boy could give on the person who got into the Ford was that he was middle size and had long black hair. There were several other cars on the parking lot because some function was in process at the Church. The Church has lights for the parking lot but Kirk stated that the lights were not on. -- The person that was in the Ford took off in a hurry but the person in the other car did not seem to be in a hurry.

This boy made me promise him that this would not get out in the newspapers. His name is already in the newspaper and he is scared to death that the assassin will attempt to do away with him. He also stated that the part in the newspaper article about him saying that several people were in the Ford was wrong. This officer had a squad to come out to assure the boy and his family that they would check the house for them. We observed a plain car with a uniform officer as he kept circling the parking lot and General Walker's home with his lights out. This made Kirk feel a little better. This offense remains pending.
