

Note to Possible Background to List of Evidence in JFK Assassination to remain classified or in government hands.,

File Location: File with Walker Bullet folder

Harwood piece based on Weisberg and Epstein's books, the first critiques of the WC Report and the FBI.

*FBI Critique of Claims on HW & System's  
links are found with this Harwood piece if needed*

Plus requests from Walker and Mark Lane for access to evidence items in the JFK assassination.

All these things converging at the same time pushed FBI and JD to come up with the list.
