Dear Mr. Chief Justice,

Enclosed is a copy of the interview with you on March 26. I regret that it has taken so long to transcribe. Please make such changes as you wish and send it back to me. I shall have it retyped and send a copy of the final version back to you for your files.

I greatly appreciate your kindness and patience in granting the interview. I hope that I shall have additional opportunities to meet with you and discuss the Commission and other matters of mutual interest.

Sincerely,

Alfred Goldberg
