

Inventory to Hal's Autopsy file
Location: Basement Subject File

1. Specter's questioning of SAs Siebert & O'Neill 3/12/'64
Status: Copied
2. Long response by Rosen re: a piece in WP 5/29/66 on questions about the autopsy.
Status: copied
3. Rosen to Belmont 11/26/'63
FBI rejects the autopsy report proffered by the SS
Status: copied
Status: copied SAC, Baltimore tel. on wounds of JFK
Make point here that O'Neill places the back wound in the back in this 11/23/'63 report. He still maintains this when questioned by the HSCA. See Fabrication of autopsy file.
4. Slawson to Ramsey Clark 11/21/'66
Re: possibility that NY Times was going to run a story asking that JFK case be re-opened.
Status: copied
5. Transcript of the Dr. Perry press interview 11/22/'63
Status: copied
6. Hal note and Hoover note on doc. that Kennedys did nothing to withhold autopsy info.
Status: copied
7. Rosen to Belmont 12/24/'63
Rankin asks FBI for copy of autopsy reports. FBI has to send him to SS because they did not have these. FBI response: because Kennedy family did want to keep it in confidence, etc.
Status: copied. Dupe.
