Dear Mr. McKnight:

This is in response to your telephone request for a search of the JFK Assassination Collection database for records relating to Francis Adams, Leon Hubert, and John McNaughton.

We were unable to locate any Record Identification Forms (RIFs) for John McNaughton, but have enclosed the RIFs located for the other two names you requested.

After reviewing these RIFs, please inform us if you would like page estimates for these files. To speed our response, please enclose a copy of the RIF for any document you would like reproduced. Please keep in mind that the page counts listed on the RIFs are estimates and that we must charge not only for the document, but also for the RIF attached.

Under Section 5(h) of the President John F. Kennedy Assassination Records Collection Act of 1992, each member of the public is entitled to receive 100 pages of free copies of assassination records. Once you have received 100 free pages, all additional copies will be subject to our standard reproduction fee of 25 cents per page. The \$25.00 value of the first 100 copies may be used instead as a credit on photographic orders.

Sincerely,

MARTHA WAGNER MURPHY
