Honorable J. Lee Rankin  
General Counsel  
The President's Commission  
200 Maryland Avenue, N. E.  
Washington, D. C.

Dear Mr. Rankin:

Special Agent Lyndal L. Shaneyfelt of the  
FBI Laboratory furnished a deposition at the Commission  
offices on the morning of September 1, 1964. At the  
conclusion of the deposition, Mr. Norman Rodlich of your  
staff requested that Special Agent Shaneyfelt furnish a  
letter advising the distance from the President at the  
time he was struck in the head by a bullet (frame 313 of  
the Zapruder assassination film) to the mark on the  
curbing removed from the south side of Main Street that  
has been referred to in previous testimony as Shaneyfelt  
Exhibit number 34. Special Agent Shaneyfelt has determined  
that the distance from the President's location in frame  
313 of the Zapruder film to the mark on the curb on the  
south side of Main Street near the underpass is approximately  
260 feet.

COMM-FBI

NOTE: During the testimony of SA Shaneyfelt at the Commission  
on 9/1/64, he was asked the distance from the mark on the south  
curb of Main Street to the President at the time the President  
was hit in the head by a bullet. SA Shaneyfelt did not have this  
figure available and therefore, was requested to furnish it by  
letter so that it can be made a part of his testimony.
