

EX SESS

Inventory of Hal's Curbstone Shot file in basement

1. SAC, DI to Director 6/16/'64

Re: Notes as if for first time the curbstone shot. Mentions the Underwood pictures of the curbstone. Included are pix attachments of the location of the curbstone.

2. Gemberling report ^{7/2/64} 8/5/'64 on the curbstone shot. See also Hal's very useful notes attached.

3. Gemberling memo 8/5/'64 on same

4. Rosen to Belomnt 6/8/'64 Tague's name is mentioned. Claims Tague was interviewed by FBI on 12/14/'63 and report of interview sent to WC. Does Tague's name ever appear in WC Index; he was never interviewed by the WC. Did they get the report?

5. Shanklin to John Taipel 8/7/'65 Taipal was director of Public Works in Dallas. It was his dept that removed the curbstone in August for FBI to do lab work.

6. Hal's notes on destruction of evidence re: curbstone. . . That is, FBI NA testing of the smear.

7. Letter from a physical engineer who examined the curbstone and concluded that it was patched. March 17, 1983

8. Director to SAC, Dal 7/23/'64 Hoover directing Dal to take certain measurements of the curbstone, etc. This before the FBI had the section of the curbstone removed and sent to FBOHQ for BULAB.

9. Rankin to Hoover 7/7/'64 re: questions about the curbstone prompted by Martha Joe Stroud.

10. BULAB report on the excised curbstone 8/7/'64

11. Rankin to Hoover 7/16/'64 Sends Hoover a copy of Stroud letter along with film. What does it all mean asks Rankin.

12. Director to SAC, Dal 7/13/'64 re: curbstone matter

13. Hoover to Rankin 8/12/'64 Hoover claims that according to BULab that the Tague bullet if it came from 6th floor TSBD would have come 5.3 seconds after the fatal head shot. An impossibility to be sure. More on Hoover's reading of the FBI lab report.

14. Rankin to Hoover 7/7/'64 Rankin wants to know whether the mark on the curbstone was made by a bullet.

15. Deposition of Kilty about proper curbstone tests.

16. LHO 8/10/'64 w/ BULAB results . Also Hal's page of notes.
