Mr. Jerry McKnight

Dear Jerry:

Please forgive my delay in responding to your telephone request of the 19th regarding photocopies from the JFK/Dallas Police Department Collection. I was able to locate several of the items you identified, but I have some questions about others that were not as clear. Here goes:

1) Box 3, folder 16 contains three letters to Capt. Gannaway; which one did you need? *v all 3*
1-23-64, 11-23-63, or 11-22-63?

2) from folder 8 you requested a letter regarding Chief Curry; there are probably 14 or 15 letters to Gurry-- which one? *omit*

I did find the ballistics receipt (actually an order), the 4-23-64 letter from Day to Belin, and the photos. I'll wait for your reply and corrections to send the whole package. by the way, each item is identified in three parts within each folder: aa/bb/cc aa would be the box, bb the folder number, and cc the item number within the folder. Each "item" can be one page or many pages, it is listed in the inventory on the website.

I'll await your response.

Sincerely,

John Slate
