Writing to Russell Memorial Archives and Prof. Wilkes at Law School

Stress importance of Russell in any history of the WC.

Point about the 9/18/'64 WC session see WW IV or in my own copy of the 9/18 session against what I have from the archive ut of Rankin's papers. Note, too, that Rankin never made this hearing available until Nov. 4 long after the WC closed shop.

Search for FBI file 62-99359. Write to Jeffrey Gunn. Get address from Hal. This is clearly an FBI WC file. It is not the one released 62-109090 (FBI Liaison with WC).

Has Ass. Review Board asked FB for this release?
