105-82555 (Oswald) "June Mail"

This file is on FBI fisur and telsur of Marina Oswald

1. Branigan to Sullivan 3/4/'64 re: technical surveillance on Marina Oswald.
2. SAC, Dallas to Director 3/2/'64 re; date of telsur starts is 2/29/'64
3. SAC, Dallas, to Director 3/2/'64 re: above
4. Sullivan to Belmont 2/27/'64 re: bugging the new residence of Marina's
5. Memo to AG 2/24/'64 re: above
6. Branigan to Sullivan March 12, 1964 re: coverage of Mark lane's press conference; also radio tapes that were handed over by the radio studio of Lane's comments.
7. Branigan to Sullivan 3/11/'64 re: tape on Marina reveals intimate conversation w/ Mrs. Declan Ford (probably of a sexual nature.)
8. Rosen to Belmont 3/6/'64 re; discontinuing the tap on Marina's phone; but FBI has other human assets to keep bureau apprised of her activities. Note: Sullivan writes "Dulles advised."
9. Branigan to Sullivan 3/16/'64 re: Shanklin requests to continue with additional SAs in DI investigation since the WC is making heavy demands on the bureau manpower.
10. Branigan to Sullivan 4/7/'64 re: good summary of the times and directives for placing bugs and telsur on Marina. Since some of this stuff was highly personal and of an intimate nature bureaudoes not want it sent to WC in written reports. Hoover note: "I agree reluctantly because commission seems to be intensively (alert?) to embarass FBI as evidence in recent list of interrogatories addressed to us by the commission." (Does this refer to Rankin's thirty questions?)
11. Four pages of docs. on what to do with the 22 reels of tapes from telsur on Marina's telephone conversations.
