SS Turns over all investigative leads to FBI

1. J.L. Handley to Rosen 12/13/'63 re: see above
2. Brennan to Sullivan 12/10/'63 re: Rowley's orders to all SS agents in field to turn everything they have on assassination over to FBI. SS is off the case and was off from early on.
3. Inspector Thomas J. Kelley report on SS interview w/ Oswald

Note: Most of this serial deals with affidavits of witnesses to Tippitt killing; of Oswald's co-workers in the TSBDB. There is a large number of these affidavits and reports.

More on SS and role in investigation

4. Rosen to Belmont 1/19/'63 re:SS & FBI cooperation on the investigation; Rowley in agreement that FBI was the investigating arm, etc.
5. There is the SS Report on the Assassination of President Kennedy to Earl Warren
