

Ex SESS Inventory to files in History 315 JFK collection

Location: In cardboard box # 1

1 Goldberg interview w/ Earl Warren. See also Hal's notes w. interview. I need to find out the source of this document. Also where are the Warren papers.

2. Fink's report to General Blomberg on the autopsy. Source of this document? Is it from the WC documents? Also see Hal's notes.

3. HSCA of Fink and Ebersole testimony. See also Hal's notes. I need correct cite on this from HSCA report.

4. HSCA affidavits of General Whele and SS agent Greer

5. Dr. Perry's news conference on JFK's wounds.

6. News stories on Charles Bronson films/ FBI docs. Not in folder. Search for them.

7. Folder includes the Dillon Report to Warren on SS report on assassination. Included in folder are FBI lab reports including Frazier's description of the interior of the limo and location of bullet shards.

8. Contains 20 documents related to autopsy referring to reports from SA O'Neill and Siebert.

9. Receipts for transfer of autopsy materials.

10. HSCA affidavit from SA . O'Neill

11. LBJ phone conversations w/ insiders on JFK assassination investigation

12. SS Phone Logs for Weekend of the assassination. Use w/ Starting Up.

13. O'Leary / FBI relations file (most applies directly to King case). But could be useful writing about FBI leaking and other Crime Records liaison w/ the favored O'Leary.
