Attached is a brief proposed statement in the Director's name refuting the false allegation that Lee Harvey Oswald was a confidential informant of the FBI. This statement also shows that Oswald was not employed by the FBI at any time in any capacity and that he never rendered any services for, or received any payments from, the Bureau.

RECOMMENDATION:

The attached statement has been prepared for possible use in the event the Director finds it necessary to issue a public statement setting the record straight concerning mis-information about Oswald circulated by persons outside the Bureau.
