Frank M. Wozencraft to Leonard Niederlehner 9/7/'67  
Re: McNaughton letter to Katz on CD1. This letter was written on 12/16/'63. Gist: this letter should not be made part of the open records of the WC. Instead, it was JD's position that it be relegated to the restricted WC papers.  
Has to mean that Katz turned this letter over to FBI.
