Re: Ramparts (1966)

Re: SM to Dave Welsh, editor of Ramparts. Basically this year's letter writing was about getting some of SM's stuff into Ramparts article. It ends in discord; SM pulls out of any deal totally frustrated at the shabby way Welsh is quick-changing his decisions.

*** Note: there is a copy of letter from SM to HW, Feb. 15, 1966, about WW I. SM has praise for ms. Then she adds a list of "very minor errors."

Check w/ WH corresp. to see how he responded to these "errors."
