

Sylvia Meagher Corres./Coll.

Folder Material Catch-all by Nature/difficult to catalogue

1. HSCA: Magazine articles re: House inquiry. These articles cover JFK and MLK cases. They are uniformly critical of the HSCA's work.

2. Mark Allen re: contains Allen's memo to HSCA Report on LHO in Mexico City. Contains other memoes related to subject. One or two Mark Allen letters to SM.

3. Charles Bronson File.

Re: Materials relating to the Bronson film(1978/79)

4. Harrison Livingston (1979)

Re: Pieces on JFK autopsy photos in Baltimore Chronicle

Tony Summers (1979)

Re: Should be filed w/ Summers corresp. with SM. SM reviewed his Conspiracy. She has high praise for the work. She remarks she found only one error of fact in the 530 page ms. Also indication that Summers was up to old tricks of trying to get Sylvia to do some dog work with indexing of ms. She declines.

Kevin Walsh (1979 mostly)

Re: Contains docs. re: related to his investigative work for the HSCA. Exclusively on Marilyn Murrett(LHO's cousin). File with section on HSCA in the catalogue.

5. George Wallace--newspaper clippings/ articles on the attempted assassination

6. General corres. w/ Bud Fensterwald (1973)

Re: Filed under General Correspondence heading
