

Sylvia Meagher Corres/Coll.

Note: These are Catch-All in Nature

D. Lifton ("Best Evidence") File.

Re: Some choice corres. re: Lifton by SM and others--Paul Hoch, H. Weisberg, et. al.

Note: BE hits at critics like SM and HW. But Lifton admits that his association with W. Liebler was a mistake. SM can take some small measure of satisfaction here.

S. Meagher Magazine articles. Reprints of her work in TMO, Esquire, and the Texas Observer. Should be reviewed.

Material from G. Stone 1/22/89

Transcript of witness testimony in RFK case with ref. to Garrison and "his allegations of the conspiracy of 100." Might be worth review for Garrison

SM to Jim Lesar/Bob Smith (1970-1973)

Re: Exchange of letters with Jim. . . and indication that SM wanted not to be associated with the CTIA. She would help but did not want to be identified with the Committee to Investigate Assassinations.

SM interview with Philip Nobile on anniversary of JFK assass. 11/22/'71

Re: Folder contains copy of Epstein's review of Assessories in the WP "Book World" section.

Folder marked notes/ referemnce materials, etc. has a copy of Calvin Trillin's article in New Yorker "The Buffs" (June 10, 1967)
