Re: SM to Kaye Northcott(?) July 24, 1970

Re: To editor Northcott ref. to article she wrote "The Private Life of the Warren Commission."

Also a copy of article submitted to TO "Oswald's Arrest in new Orleans," April 1970.

Copy of "The Private Life of the Warren Commission" in folder. Looks like an extended review (14 pages) of a David Lifton compilation of the Ex. Sessions of the WC titled: Documents Addendum to the Warren Report. (Sighttext, 1968).

THE TITLED IS ATTRACTIVE FOR ME. Idea: "Excess: The Secret Life of the Warren Commission". Review the SM review.

Folder contains some of Ronnie Dugger's articles in TO on the JFK assassination for 1963, 1964, and a Dugger review of 9 assassination books in 1966.
