Notes on the taping system for AF-1

Max Holland, The Kennedy Assassination Tapes (short title) He notes that any security-related calls from AF-1 would not have been taped unless requested.

Doug Horne (ARRB) made a search at the LBJ Library for the unedited AF-1 tapes But came up empty. He was forced to conclude that the original unedited tapes no longer exist.

The rush to judgment : Case can be made:

He notes on pp. 34-35 that on the flight back the Presidential party was notified that "there was no conspiracy; leaned of the identity of Oswald and his arrest. . . ." (He does not mention the time but the importance is that it was before AF-1 touched down At Andrews AF Base in Maryland.
