CABLE TO LEGAT, MEXICO
RE: LEE HARVEY OSWALD
IS - R - CUBA

NOTE: We received information from CIA prior to assassination that Oswald was in contact with Soviet Embassy, Mexico City. We did not receive information from CIA re contacts that Oswald is known to have had with the Cuban Embassy in Mexico City until after the assassination. We plan to make this a point in our answer to the Commission re our analysis of Oswald's Mexican trip. We want to be on sound ground, however, that the Legat, Mexico, did not receive such info locally from CIA.
