ReLegat letter 1-24-64, two copies of which are enclosed for DL and NO.

Enclosed for Legat are four photographs of a silver colored bracelet given by subject to his wife, Marina, upon his return to DL from Mexico. It is believed that Oswald purchased this bracelet in Mexico City, for found among his effects subsequent to the assassination was a brief note to serve as a reminder to purchase a bracelet and to watch jai-lai game. Also enclosed for Legat are six photographs depicting the front and back of six color postcards depicting various scenes in Mexico, which most likely Oswald purchased in Mexico City. In addition, there is enclosed a copy of a pamphlet bearing the inscription on the cover page "Hipodromo de las Americas, S. A., Mexico, D. F."

Bear in mind the revelation of Mexico City sources re the concern expressed by Charles Small that Oswald may have visited his tourist-type store in Mexico City. It is desired that Legat, through available sources, endeavor to ascertain if, in fact, Oswald visited Small's store. It is suggested that through observation efforts be made to determine if the picture postcards, the bracelet and the pamphlet may have been acquired by Oswald at Small's establishment.
