Re Mexico City letter to the Bureau and letter-head memorandum dated 4/7/64.

For the information of the Houston office, OSWALD is believed to have traveled under the name H. O. LEE from Mexico City to Laredo, Texas, via buses of the Transportes del Norte bus company. He left Mexico City at 8:30 a.m. on October 2, 1963, on board bus No. 332, which required a change at Monterrey to Transportes del Norte bus No. 373. He arrived at Laredo, Texas, at approximately 2:00 a.m. on the morning of October 3, 1963. He was assigned seat No. 12, a window seat located four rows from the front on the driver's side. It is believed he departed Laredo at 3:00 a.m. on October 3, 1963, on a Greyhound bus en route to Dallas, Texas, via San Antonio.

One of the passengers who boarded bus No. 332 at Mexico City and continued the trip to Laredo, also boarding the Greyhound bus which departed Laredo at 3:00 a.m. on October 3, 1963, for the trip north, has identified profile photographs of OSWALD as being of an American youth, whom he recalled for the first time as having boarded bus No. 373 in Monterrey. He also recalled the American youth boarding the bus at Nuevo Laredo, Tamaulipas, Mexico, after the stop there and prior to its crossing the International Bridge into Laredo.

This passenger, ANASTASIO RUIZ MEZA, who is a resident of Mexico City and who was seated in seat No. 15
